Signature Features

32 CU. FT. MAXIMUM CAPACITY

- Our largest French Door refrigerator has enough room to fit up to 32 bags of groceries.[2]
- With an expansive 32 cu. ft. inside, this refrigerator features the largest capacity of all French Door refrigerators in its class.[3]

[2] *Grocery comparison based on each cubic foot of usable space equaling one paper bag.*
[3] *Features the largest capacity refrigerator in Samsung's current lineup.*

ICE MASTER

- Our Ice Master makes nearly 12 lbs. of ice per day with storage for nearly 10 lbs. of ice.[4]

[4] *Actual Dual Ice Master production and storage quantities are 11.8 lbs and 9.7 lbs, respectively.*

HIGH-EFFICIENCY LED LIGHTING[5]

- Samsung's high-efficiency LED lighting gently brightens the interior of your beautifully organized refrigerator.

[5] *As compared to Samsung's 2011 conventional LED lighting.*

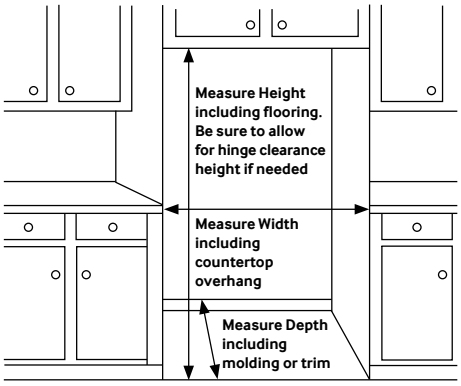
RF323TEDBSR

Biggest Capacity 32 cu. ft. French Door with External Water and Ice Dispenser

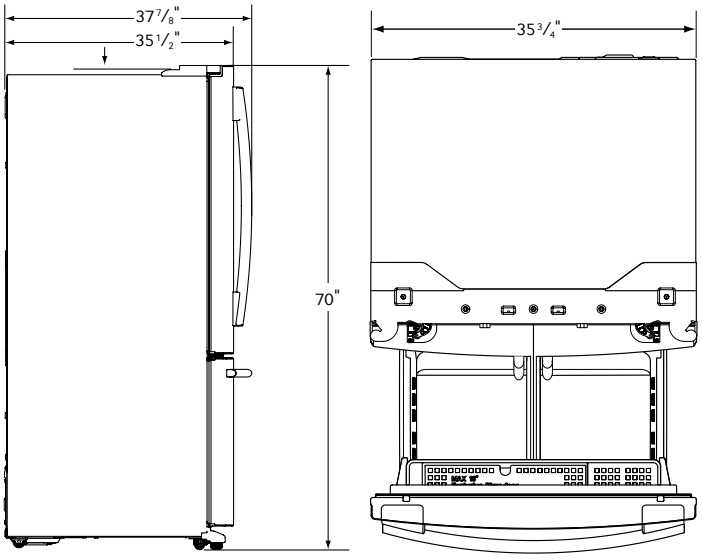
Installing Your Refrigerator

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entry way in the home is wide enough for the refrigerator to be moved through easily.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details consult manual packed with product, or download manual on-line at samsung.com.



Dimensions



Some hinges cannot be removed, please refer to the dimensions with hinges for product install and delivery dimensions
